| Reception | Jacob |
| Year 1 | Theo |
| Year 2 | Layla |
| Year 3 | Oliver |
| Year 4 | Mark |
| Year 5 | Miley |
| Year 6 | Paris |
| Hi Arp | Jiri |

Message from Mrs Mitcheson:

As you know, an Ofsted inspection has taken place in school this week. Inspectors look at many different areas across school, identifying strengths and next steps. They also grade the school in these areas, providing an overall grade of the school. You will be informed of the outcomes of this inspection within the next 30 days.

The children were excellent and extremely respectful throughout the inspection, a real credit to you and our school.

Dates for your Diary

| | |
|---|--|
| 8 th March 2023 | American themed lunch for the children |
| 15 th & 16 th March | Proposed 2-day industrial strike action (more information will follow) |

| 28 th March 2023 | Kielder Observatory Workshop |
| 30 th March 2023 | Kielder Observatory Workshop |
| 31 st March 2023 | Last day until after Easter Holidays |

Road Safety on Broadwood Road

Dear all, it has been brought to my attention once again about the level of cars parked inappropriately on Broadwood Road during the school drop offs and pick-ups. I appreciate many families bring their children to school in cars, which results in a high number of cars on the road at the same time. However, we must keep everybody safe on Broadwood Road and also show respect to our local residents. Can I ask that you please take this into consideration when dropping/picking up children? We also have a breakfast club every morning at 8am which children are welcome to join and this might help reduce the congestion on the road in the morning. Thank you for your support.
