Message from Mrs Mitcheson:

Welcome back! I hope you have all had a lovely summer break – I am sure many of you have had a big smile on your face all week. Well, so have we as we are so proud of how settled the children have been and how smart they all look.

I would like to take this opportunity to welcome many new families to our school where I know they will be hugely supported by our entire school community. It has been an absolute joy for me to teach in Nursery this morning and meet all of our gorgeous new children.

Safeguarding Keeping children safe online is a huge priority for us all! Please make sure you monitor what your child is doing online and help us to educate them in how to keep themselves safe. A huge start is only allowing your child to go on age-appropriate platforms and apps. With the older children, reinforce safe communication when they are using online platforms (many of which are for children aged 13+) Remember - Not everybody online is who they say they are!!!

Training Day – Monday 4th November 2024. Please note - children will *not* be in school on this day.
