Message from Mrs Mitcheson:

As we always strive for a positive start to each school day, I would like to remind you to please refrain from approaching teaching and support staff on the yard in the morning relating to any issues or complaints that you may have. Our main focus during this time is to ensure that all children are welcomed into school and both staff and children can start their day in an uplifting manner.

Addressing concerns directly on the yard is not in accordance with our complaints policy. We kindly ask that you contact the school office should you have any issues that need addressing. The relevant member of staff will contact you as soon as they are available to discuss your concerns.

If you have an urgent matter, I will endeavour to assist you if I am present. Thank you for your understanding and cooperation in helping us maintain a positive and supportive environment for all our children and school community.
