### Message from Mrs Mitcheson:

#### Forest School

We are currently making significant improvements to our forest area. If any parents/carers are able to join us next Friday (21<sup>st</sup> March) to do some physical work, it would be very much appreciated – even if it is for just an hour! Some of our children will be helping throughout the day too. You are welcome anytime between 9:30 and 2pm. Refreshments will be available!

#### British Science Week

Our children have had a fantastic week celebrating 'British Science Week'. Many families started the celebrations on Saturday at Centre for Life. Mr Crulley and I led a fun and interactive assembly on Monday to launch the celebrations in school. Throughout the week, the children have engaged in a range of wonderful Science activities.
