Message from Mrs Mitcheson:

The children have settled back into school life remarkably quickly, contributing to a generally calm atmosphere within the school – there were no reflections last week at all! We extend a warm welcome to the new families who have joined us; I am confident they will feel supported by our community. Staff are putting some lovely examples of learning on seesaw so please ensure you have access to seesaw to engage further in your child's life at school. We kindly ask for your trust in us as we care for your child/ren, as safeguarding both children and staff remains our paramount priority. We do appreciate however, that they are your world!!

Early Years Provision We are delighted with the extension of our Early Years' provision. The children are settling extremely well and thoroughly enjoying the new space and improvements throughout. During this academic year, we are planning further work developments, including the addition of a sensory room and a ramp leading to the outdoor area at the back of Early Years. We will also create a sensory circuit room for children in Years 1 – 6 who will benefit from this initiative.
