A message from Mrs Mitcheson:

A huge 'Thank You' for supporting our Winter Fayre last week. It was wonderful to see all of you embracing the festive spirit. I am delighted to share that we raised £1,047.77, marking the highest amount we have ever raised during my time at Broadwood. This achievement is a testament to the wonderful community we have and your continued support.

All money raised will be reinvested back into our children's activities, ensuring they receive the best possible experiences as they learn and grow. Thank you once again for your generosity and enthusiasm.

Scotswood Gardens

As you know, we are a diverse school that warmly welcomes families from all over the globe, which enriches our school community and enhances the learning experience for all our children.

Mrs Dangerfield took several children to Scotswood Gardens last week, where they collaborated to design a 'Welcome' banner using many different languages. This colourful and meaningful artwork aims to celebrate our diversity and convey a message of inclusivity.

Our school entrance has recently undergone redecoration and we will use this space to reflect our vibrant community and display the children's work from Scotswood Gardens.
