Dear Mums, Dads and Carers,

Welcome to our safeguarding newsletter and a big welcome to all of our new families. As we start the year I would like to remind you all that at Broadwood, safeguarding and promoting the welfare of children is everyone's responsibility and our top priority. Everyone who comes into contact with the children and families who comprise our community has a role to play. Everything that we do has the children at its centre. Their wellbeing, their safety, their achievement, their happiness underpins every decision we make.

Often when safeguarding is mentioned, the immediate thought is about child protection – when a child is suffering harm, or is in danger of suffering harm. However, safeguarding is much more complex than this and encompasses a very wide range of areas. At Broadwood, we ensure that all of our staff are well trained in all aspects of safeguarding and this training is regularly updated and frequently revisited throughout the year. We also ensure that our curriculum provides the children with age-appropriate opportunities to learn how to keep themselves healthy and safe.

Our weekly newsletter frequently contains a message in relation to safeguarding.
