Every child deserves the very best – give them their right to an education!

Below 90% has a drastic effect on academic achievement

91%-95% is a cause for concern

96%-100% is Spot on!

A huge 'Well done' to **Year 6** this week with a very impressive **97%** attendance.

Some of our children visited Scotswood Gardens last term, where they created welcome signs in their home languages using natural resources. The wonderful outcomes of this initiative are now displayed in our entrance foyer.

#### Message from Mrs Mitcheson:

##### Families Learning Together

We still have a couple of spaces left for our Families Learning Together STEM workshops, running after school on Thursdays for Years 4 and 5. There are just three weeks remaining and the workshop is suitable for one child and one adult. If interested, please contact the school office.

##### Earrings

Please ensure your child is not wearing earrings for school. This is for health and safety reasons.

##### Outdoor Play and Learning

Quality 'Outdoor Play and Learning' is very important to us as we appreciate the vital skills children can develop during high quality playtime provision. We are looking to further develop our outdoor areas during this academic year. Watch this space.....

##### Behaviours and Attitudes

I wish to highlight our school's generally calm and settled environment. I am immensely proud of how well the children are doing in school. Another visitor this week expressed how impressed they were by the politeness and respect of our children.
