Message from Mrs Mitcheson:

Happy New Year to you all! This week, we have welcomed a few new families to school. One new child described her initial experience at Broadwood as 'amazing'. I have no doubt this is due to the very welcoming ethos of our school as we always strive to ensure all children and staff feel welcome, valued, happy and safe in school.

Mr Macmillan has had a wonderful first week in Year 4. The children have been exceptionally supportive and helpful, particularly as he sustained a foot injury during the holidays. I am confident with the continued support of the children; he will recover swiftly. Once Mr Macmillan is fully recuperated, you can expect to see him in yard more regularly.

HADO - Today, Key Stage Two children enjoyed an exciting afternoon participating in the world's first augmented reality sport. I am certain they will tell you all about it!

It is brilliant to see Newcastle United doing so well at the moment. Let's hope we get to Wembley once again!

We will continue to work on a joint project this year, looking for children this half term who demonstrate 'passion' for their learning or in a hobby or sport they may participate in.
