Keeping Children Safe Online

Just to remind you that you can access really useful information about children being safe online at <https://www.thinkuknow.co.uk>

The world changes. Children don't.

As parents we may not be familiar with the different social medias out there...however it is our responsibility to make sure our children are keeping safe online.

Christmas is coming!

There are lots of things happening in school over the next few weeks in relation to Christmas—here are some of them!

Pop **December 14th** into your calendar—this will be our **Christmas Jumper Day** in school where children can wear jumpers with sparkles and baubles and lots more! Donations will be going to Marie Curie. It is also the day for our **School Christmas Dinner**. If your child doesn't normally have a school dinner we would ask that they send their money in for the Christmas dinner on Monday 10th December (KS2 children only). Can KS1 children please tell their teachers they would like a Christmas dinner before Monday 10th December.

Year 1 are having a special **Christmas Craft Afternoon** on Wednesday 12th December—Early Years are also inviting parents in to do Christmas Crafts on Monday 17th December.

Parents of children in KS2 are invited into school for a special **Christmas Performance** (music and singing) on the morning of **20th December at 9:30am.**

School Winter Fair

Our school Winter Fair is taking place on **Thursday 13th December** straight after school. There will be Teddy Tombolas, Raffles, and games for the children such as 'Pin the Tail on the Reindeer!'.

Joanne Jameson (our Family Support Worker) has a plea for you all....do you have anything that could be used for a Bottle Tombola or as raffle prizes?

Christmas Film Night

On Tuesday 4th December we will be having a **Film Night**. For a small charge children will be able to stay at school a little later so that parents can do some Christmas shopping. We will be sending out a permission letter this week for you to complete .

Polite Reminder

Can we please remind parents that using offensive language on the school site is not acceptable. It has been drawn to our attention that some parents are not respecting these guidelines.

Children need to have adult role models who show them the right way to communicate. It is not acceptable that children hear offensive language being used by parents. Please respect this.
